(Date of Event Which Requires Filing of this Statement)

If the filing person has previously filed a statement on Schedule 13G to report the acquisition that is the subject of this Schedule 13D, and is filing this schedule because of Rule 13d-1(e), 13d-1(f) or 13d-1(g), check the following box.

Note: Schedules filed in paper format shall include a signed original and five copies of the schedule, including all exhibits. See §240.13d-7 for other parties to whom copies are to be sent.

* The remainder of this cover page shall be filled out for a reporting person's initial filing on this form with respect to the subject class of securities, and for any subsequent amendment containing information which would alter disclosures provided in a prior cover page.

The information required on the remainder of this cover page shall not be deemed to be "filed" for the purpose of Section 18 of the Securities Exchange Act of 1934 ("Act") or otherwise subject to the liabilities of that section of the Act but shall be subject to all other provisions of the Act (however, see the Notes).

(1) As reported in the Current Report on Form 8-K of the Issuer, filed with the SEC on June 14, 2018 (the "June 14 Form 8-K"), the Issuer completed its previously announced merger ("Merger") with Granite Construction Incorporated ("Granite") on June 14, 2018. Pursuant to the terms of the February 13, 2018 Agreement and Plan of Merger ("Merger Agreement"), each share of common stock of the Issuer previously held by the Reporting Person has been converted into the right to receive 0.27 shares of common stock, par value \$0.01 per share, of Granite (the "Exchange Ratio"). The Reporting Person holds \$2,524,159 principal amount of the Issuer's 8.00% Convertible Notes due 2019 (the "Notes"), which were convertible at the Reporting Person's option into

shares of the Issuer's common stock based on an initial conversion rate of 85.4701 shares of the Issuer's common stock per \$1,000 principal amount of the Notes. However, following completion of the Merger, in accordance with the terms of the Merger Agreement, the Notes are no longer convertible into shares of the Issuer's common stock but instead are convertible into a number of shares of Granite common stock based on the Exchange Ratio. According to the June 14 Form 8-K, the Issuer, Granite and the trustee under the indenture governing the Notes entered into a First Supplemental Indenture, dated as of June 14, 2018, pursuant to which Granite acknowledged its obligation to deliver to the Issuer a sufficient number of shares of Granite common stock to satisfy any conversion of the Notes into shares of Granite common stock. According to the June 14 Form 8-K, the conversion rate in effect immediately following the Merger is 23.0769 shares of Granite common stock per \$1,000 principal amount of the Notes.
